

UKMIL GROB TUTOR T1 FSX COPYRIGHT INFORMATION

UKMIL has released this GROB TUTOR under a two stage FREEWARE agreement. Firstly, the 3rd party items, such as gauges, and sounds are NOT the copyright of UKMIL and may be freely used under their original agreement.

the MODEL, VC and TEXTURES of this package are released under a UKMIL FREEWARE AGREEMENT. This agreement has restrictions. The package can be used, fully and wholly by any individual for their own personal useage, and repainting and posting of screenshots is allowed with no restrictions.

HOWEVER, the use of this TUTOR is restriced when it comes to VIRTUAL ORGANISATIONS. Any VIRTUAL ORG who wishes to use.distribute this must seek permission from UKMIL. This does NOT however extend to the following groups

RAFVIRTUAL.com [www.rafvirtual.com]
RAFSIM [www.rafsim.com]

These orgs are totally banned from using the TUTOR, in all aspects, including mentioning, promoting, using or showing. This means there are to be NO Screenshots anywhere on the respective sites, no mention of the package, or UKMIL. If any reference to this pack, pictures, or screenshots of the aircraft appear anywhere on the site, then this will contravene the Copyright laid down, and will be met with legal action against the individual, and the organisation, with a closure notice being issued on the site.
